

2014 d'ARENBERG THE LUCKY LIZARD

Review Summary

94 pts “Quality chardonnay with hints of French oak shining through. Features that enchanting light butteriness that reflects what many believe is the best characteristic in this variety.”

92 pts “A thoroughly modern take, coming up with admirable complexity, but not losing focus on the varietal fruit.”

James Halliday

91 pts “Very light bright gold. Lively, mineral-laced aromas of orange zest, pear nectar, nectarine and white flowers, plus a subtle ginger nuance. Juicy and focused on the palate, offering lively orchard and citrus fruit and honeysuckle flavors braced by a refreshingly bitter quinine note. Finishes with very good clarity and minerally cut, leaving floral and citrus pith notes behind.”
