

2015 SHOOFLY SHIRAZ

Review Summary

90 pts “Bright violet. Aromas of ripe dark fruits, licorice and succulent herbs, along with a hint of smokiness in the background. Smooth and fleshy in the mouth, offering bitter cherry and blueberry flavors and a sweetening touch of mocha. Tightens up on the long, penetrating finish, which features fine-grained tannins and a lingering hint of juicy blue fruit.”

88 pts “Black tea and dark chocolate flavors are generous and plump, with blackberry and plum notes that show good intensity.”
