

**2015 YERINGBERG
VIOGNIER**

Review Summary

91 pts “The picking strategy (picked over 10 days to balance acid and flavor) has worked very well for varietal flavor, slightly less so for texture, which has some phenolic notes that seem part of the viognier scenery.”

90 pts “Scented of ripe apricots, honey-coated toast and ginger with a yeast extract and roasted nut undercurrent, the 2015 Viognier has a pleasantly oily texture and a medium body, with a lively backbone carrying the spicy and savory flavors to a long finish.”
