

2014 OVEJA NEGRA  
THE LOST BARREL  
**Review Summary**

**92 pts/Editors' Choice** "Jammy blackberry, prune, tobacco and oak-grain aromas lead to a flush, chewy and balanced palate, with just enough natural acidity to make things nice. Blackberry and toasty oak flavors include notes of mocha and exotic spices, while this is rich, dense and balanced across a full-bodied finish."

**90 pts** "Generous in pomegranate and black cherry flavor, this wine has the charming tannic rusticity of carignan (61 percent of the blend). The fresh, herbal notes of cabernet franc and petit verdot add spicy black fruit. With its intense tannins and fresh acidity, it's ready to decant for blood sausages."
