

## 2014 KILIKANOON PRODIGAL GRENACHE

### Review Summary

**92 pts** “An array of red plums, wild raspberries, pomegranate and red cherries, as well as hints of light earth and spices. The palate has an attractive, tangy core of raspberries with lithe, juicy tannins.”

**90 pts** “Vivid ruby-red. Lively, sharply focused scents of ripe red berries, candied flowers and peppery spices. Juicy black raspberry and bitter cherry flavors are braced by zesty acidity and a hint of white pepper. Nicely balanced and focused, finishing long and sappy, with gentle grip and well-knit tannins.”
