

## 2015 MOUNT MARY CHARDONNAY

### Review Summary

**97 pts** “Gleaming light green-gold, this is no pale and wan lover, its embrace intense, white peach just in front of grapefruit. As one would expect from Mount Mary, the oak has been as important in shaping texture and mouthfeel as imparting flavor. All up, an icon for Yarra Valley chardonnay.”

**94 pts** “A powerful concentrated chardonnay that has a wealth of lemons and peaches, but it is dialled right back into a more restrained and savory territory. Plenty of acidity, gently savory and nutty flavors and a chalk and rather full body. Phenolics and freshness.”
