

2015 MOUNT MARY TRIOLET

Review Summary

96 pts “This is an uncommonly rich Triolet at this early stage, but that is all to the good, for it will mature majestically as all the vintages that preceded it have done.”

93 pts “Super taut and steely with plenty of phenolics on offer. There’s a lot of dried flowers, muscat-like lift, and a citrus-lemon and apple edge. A white obelisk of a wine with plenty of acidity and grassy elements. A flinty, steely finish.”
