

2016 YERINGBERG CABERNET BLEND

Review Summary

94 pts “A very floral blend that has Bordeaux written all over it. It shows red plums, redcurrants, blackcurrants, cedar, tobacco, fresh herbs and roses. The palate shows resounding freshness and purity. Although this isn’t the biggest wine, it certainly does well to make up for it with pristinely crafted tannins, razor-sharp acidity and a juicy finish.”
