

2016 KILIKANOON KILLERMAN'S RUN CABERNET

Review Summary

90 pts “A testament to the reach of Kilikanoon across the Clare Valley, and of the skill of the winemaking team. This has clear-cut varietal character in a blackcurrant cassis mode backed by cabernet tannins. Needs until the end of ‘18 for the pieces to lock together, but at this price that shouldn’t be a major challenge.”

90 pts “Some leafy nuances ahead of cassis and redcurrant aromas. A mellow, floral edge, too. The palate has plenty of ripe and nutty tannins, supporting the cassis and red berries.”
