

2016 MOUNT MARY CHARDONNAY

Review Summary

96 pts “Pale straw-green; very youthful in every respect; attention to detail has led to a sophisticated wine destined for a long life.”

James Halliday

93 pts “This is a more generous wine, which delivers peaches, cashews, lemons and grapefruit. There is plenty of acidity in this chardonnay. Very low pH in the DNA of this wine. A long, steely palate with great depth and richness. Some lees influence here.”
