

## 2016 MOUNT MARY PINOT NOIR

### Review Summary

MOUNT MARY  
VINEYARD  
LILYDALE

**97 pts** “Upper Yarra Valley complex texture, flavor and structure; dark berries/plums with pinot tannins woven through the fabric of the palate, length and balance up to the usual standards. A great achievement for the vintage.”

**94 pts** “There are deeply fragrant cherries and plums, as well as fresh undergrowth, blueberries, violets and alluring baking spices. The tannins are an important part of the wine. Savory and firm but silky. There’s a strong character and style present here. Good depth and drive.”
