

2016 GIANT STEPS YARRA VALLEY SYRAH

Review Summary

93 pts “Good color; a supple, medium-bodied shiraz, the spoils of war distributed equally to red and black fruits. The bouquet is perfumed, the palate complexed by tannins.”

90 pts “Peppery notes accent black cherry and plum fruit in Giant Steps’ 2016 Syrah. The 30% whole-bunch component is wonderfully integrated with the wine, maybe adding a dusty tannin element. Similarly, the 20% new oak has been easily absorbed into the wine. Dark-fruited, savory and complex, there’s a lot to like in this offering.”
