## OLD BRIDGE CELLARS

**WHAT WE DO:** Old Bridge Cellars imports, produces and markets wines from a handful of fiercely independent wineries in the world's leading wine regions.

**HOME BASE:** Napa, California **ESTABLISHED:** 1993

#### MISSION:

We see as our mission the championing of a select group of uncompromising winemakers who give everything in their pursuit of truly distinctive, regionally defined styles that sit comfortably with the world's best. Our parameters are, simply, that the wineries we represent remain true to their regions and true to themselves.

#### OUR PORTFOLIO:

Our wine cellar, while anchored in Australia, boasts 258 different wines from 19 applauded winemaking regions across the globe. Our 30 winemakers travel home to one of six countries (AU, CL, FR, IT, NZ, USA), so from Hunter Valley Semillon to Napa Valley Cabernet Sauvignon, we have it expertly covered.

#### HERITAGE ESTATES:

**ALL** of our wineries are independently owned, one third are family owned and operated, and one in four are multi-generational.

#### GREEN GROWERS:

3 of our wineries are certified as either organic or biodynamic in their practices, and we have 17 wines that are produced to these standards.

#### ACCOLADES:

2017 & 2015 - **TOP IMPORTERS OF THE YEAR** by Wine & Spirits  
2014 - **TOP IMPORTERS** by Food & Wine Magazine  
2012 - **'IMPORTER OF THE YEAR'** nomination by Wine Enthusiast

"Thanks in large part to the work of such talented importers as Old Bridge Cellars et al, American consumers have never had such an enormous selection of Australia's finest as well as rarest wines." – Robert Parker, Jr., *The Wine Advocate*
