

2016 GREYWACKE WILD SAUVIGNON

Review Summary

GREYWACKE

Kevin Judd

94 pts “This has all the complexity seen in great white wines with plenty of savory influence. Grilled nuts adorn biscuity and flinty lemon and grapefruit pith. The palate has punchy dried-peach and lemon flavors, as well as an appealing, very succulent and carefully layered texture.”

93 pts “Just gorgeous, this is vibrant, fragrant and generous, with honeysuckle, Key lime, lemongrass and fresh ginger notes that mingle with grapefruit and pear flavors. Impressive for the intensity, showing a smooth body, refreshing acidity and long, lingering finish.”
