

## 2015 YERINGBERG SHIRAZ

### Review Summary

**96 pts** “Excellent dark purple hue, thanks to a splash of viognier. It’s a glorious, perfectly pitched cool climate shiraz with a lot packed into it, yet retains an elegance on its medium-bodied palate. Heady aromas of dark and red fruits, black pepper, some pine needles/garrigue notes and a fleck of charry-wood spices from the otherwise integrated oak. There’s a suppleness, juiciness on the palate, and a savory note that tempers the fruit, the tannins fine and detailed with the acidity, like a refreshing squirt of raspberry juice.”

**93 pts** “From one of the Yarra’s most historic wineries, this wine takes a bit of swirling in glass, but once it gets going the aromas and flavors keep on coming. It offers brambly dark berry, cola, cumin and floral nuances, with an earthy, savory spine. Reflecting its cooler-climate origin, it’s medium-bodied, soft and round, with juicy fruit, silky, savory tannins and a sappy, savory olive character running through the finish.”
