

# 2016 PENLEY ESTATE TOLMER CABERNET SAUVIGNON

## Review Summary

**PenleyEstate**

**92 pts** “Medium weight but there’s a good spread to palate. Redcurrant, cloves, mint and blackcurrant flavors work to all corners of the mouth, helped along by fine ripples of well-managed tannin. A gentle creaminess to the texture doesn’t hurt either.”

**91 pts** “The 2016 Tolmer Cabernet Sauvignon represents a middle tier in the Penley Estate hierarchy. It’s earthier and more savory than the fruit-driven Phoenix but also more concentrated and oakier. Medium to full-bodied, it features cedary accents layered over rich cassis fruit, finishing quite long and velvety.”
