

2017 d'ARENBERG THE STUMP JUMP SHIRAZ

WINEMAKER: Chester Osborn

REGION: McLaren Vale, South Australia

VARIETALS: Shiraz

ANALYSIS: 14.0% alc/vol | TA: 6.1 g/L | pH: 3.49

BACKGROUND:

The name 'Stump Jump' relates to the significant South Australian invention – the Stump Jump plough. This plough became a popular piece of machinery for ploughing fields because of its ability to ride over stumps and gnarled "mallee" Eucalypt roots and snags, saving valuable time and resources by not stopping the draught horse.

VINTAGE NOTES:

A healthy winter and plenty of spring rains set the vines up very well. Bud burst was on time, but very cool for the first part of spring. Shoots grew to 5 or 6 inches long and then stopped for a month. Flowering was quite late, by three weeks, which meant a late start to harvest, and long, slow ripening periods. The summer rains stopped in mid-January, so disease pressure was low. It was very dry from February to April, with only a few millimetres of rain. Days were mild with a lot of cool nights, the first few weeks of April was around two degrees hotter than usual, which help that last bits of fruit to ripen. Overall, a great vintage with minimal disease pressure and above average crop levels.

TASTING NOTES:

A beautifully fragrant, restrained yet balanced expression of McLaren Vale Shiraz. The nose is bursting with raspberry, strawberry, mulberry and spice. The palate is juicy and silken. Pure fruit, fresh acid and super supple tannins all in harmony. This wine, from a lighter, spicier year, presents as immediately drinkable and should be enjoyed in the first 3 to 4 years of its life to take advantage of its youthful charm and fresh fruit character.

CRITICAL ACCLAIM: Not yet reviewed. 2016 vintage: 90 pts Wine Spectator

ABOUT d'ARENBERG:

One of the undisputed kings of Australian Shiraz and Rhone varietals, d'Arenberg has managed to turn individuality into an art form by doing a whole lot of little things differently. The original vineyards were established by Joseph Osborn in 1912 in the McLaren Vale region of South Australia. A century on, the estate has grown to 345 acres, and the mantle now rests with fourth-generation winemaker Chester Osborn. By maintaining a focus on traditional winemaking and nurturing their old-vine material, the Osborn clan has successfully established themselves as one of the country's leading producers of concentrated, characterful wines.
