QUALITY, INTEGRITY, SUSTAINABILITY:

Diana Cullen will always be remembered as one of the Australian wine industry's most remarkable and adored women. She was responsible for making the Cullen wines from 1981 until 1989 when she handed the reins to her highly talented daughter, Vanya, Australia's Winemaker of the Year in 2000. The Cullen vineyard is organically farmed and dry-grown with an 'A' grade certification with the Biological Farmers Association.

VINTAGE NOTES:

As usual, this blend contains a greater volume of Sauvignon Blanc than Semillon, which reflects the outstanding qualities of the fruit produced by the former variety on the Cullen Vineyard. The grapes were picked at optimal ripeness with harvest conditions quite similar to 2015 resulting in elegant wines and displaying beautiful fruit purity. Complexity and completeness have been enhanced through maturing some of the wine in new oak.

TASTING NOTES:

Vibrant fruit lifted by citrus nuances. A very complex wine already with lovely stone fruit nuances and toasty characteristics. The barrel fermentation contribution is seamless and is playing the second role. A brilliant example of this classic blend and a wine that will cellar for up to 15 years.

CRITICAL ACCLAIM:
