

2017 LEEUWIN ESTATE
PRELUDE VINEYARDS
CHARDONNAY

Review Summary

100 BEST AUSTRALIAN WINES 2019/20 “This is one of the grandest and most well-appointed Prelude Chardonnays I have ever tasted. This label has gone from being the ‘second’ wine of the great Art Series Chardonnay to be a stand-alone hero Margaret River Chardonnay in its own right. Of course, this is a little lighter and more forward-drinking than its partner wine, but if Art Series was not listed on a wine list I would not blink in ordering this magnificent Prelude in its place.”
