

2017 MOUNT MARY TRIOLET

Review Summary

95 pts “This has a very rich and complex fruit spectrum in 2017; everything is ripe and offering plenty of primary fruit with lemons, peaches and melon in abundance. The palate has a super plush, sleek and gently fleshy feel with a wealth of yellow-citrus and white-peach flavor. Great spine of acidity too. A blend of sauvignon blanc, semillon and muscadelle.”
