

2017 JOHN DUVAL WINES ANNEXUS GRENACHE

Review Summary

95 pts “Medium purple color, bright and youthful. Very fragrant – violets, red plums and oak-spice. A lovely raspberry overlay. Supple and softly red-fruited when sipped. Terrific length and structure with acidity to reward cellaring. Delicious wine.”

92 pts “This has attractively smooth and supple red-fruit aromas with pastry and some quite silky notes of red plums here, too. The depth is good. Agile and balanced.”
