

2015 d'ARENBERG d'ARRY'S ORIGINAL

Review Summary

92 pts “Lots of brambles and spices to this blend of shiraz and grenache. Peppers, blackberry compote, dark chocolate and dried herbs too. Full body, structured and chewy tannins, a fine line of acidity and a juicy finish.”

91 pts “Chester Osborn continues to hit home runs with this classic blend of shiraz and grenache, which he grows at his estate vineyards that date to the 19th century. Those old vines offer a traditional wine with red-and-black-fruit depths infused with the green stemminess of roses. This needs time to integrate, but it’s the kind of Australian red that harks back to the days long before critters and ripeness, with an authenticity to its flavors that grounds it in McLaren Vale.”

90 pts “d’Arry’s Original reinterpreted in a modern style, for a start incredibly young and fresh, with lively fruits and slender tannins. Seriously good value.”

James Halliday, Halliday Wine Companion

89 pts “About half and half Syrah and Grenache, the 2015 d’Arry’s Original Shiraz-Grenache starts off tight and cedary. Full-bodied and firm, it delivers a potent combination of rich date and bright red fruit, finishing crisp and even a bit tangy.”
