

2016 SHOOFLY  
PINOT NOIR

**89 pts/Best Buy** “This is a great value, oh-so-Aussie Pinot that is the color of rose petals. Open and fragrant, it combines bright red fruit with an earthy, savory funk and a floral tinge. The palate is feather light but also broad in the mouth. Flavors of cranberry, raspberry and violet petals float to the surface, suspended by bright acidity and a soft savory line of tannins. If wine could do yoga, this supple little number would be leading the class.”

**88 pts** “A Yarra Valley pinot noir at \$15? It’s not only uncommon, it’s unique. Plum dominates proceedings, but there’s no question about its variety, the weight and texture are good too.”
