

2015 KILIKANOON ORACLE SHIRAZ

Review Summary

95 pts “From plots of low yielding estate vineyards on the Golden Hillside separately vinified and matured in new and 1yo French hogsheads. A full-bodied shiraz, fruit, oak and tannins all making obvious contributions. It needs a few more years, but it has the essential balance.”

94 pts “A very rich and deeply spicy shiraz with blackberry and espresso, as well as toasted baking-spice aromas. The palate has a very vibrant and rich feel with assertively fleshy, fine-grained tannins. Impressive.”

93 pts “The 2016 Oracle Shiraz comes from the Watervale subregion, an area perhaps better known for Riesling. It offers plenty of red fruit, modest oak-derived spice and a full-bodied, supple, juicy feel. This bottling seems to be evolving in a less ripe, more elegant direction.”
