

# 2018 CULLEN DANCING IN THE SUN SEMILLON SAUVIGNON BLANC

## Review Summary

**91 pts** “Tropical fruits but not too overt, lots of green herb and saline character too, a dose of green apple and citrus. It’s pleasant and pretty in scent. Crystal clear fruit flavors to taste, a little lilt of grassiness, some tang of green apple, a slip of sweet tropical fruits. Cool and fresh, easy to drink, vital and delicious. Nice one.”

**89 pts** “This is a delicate and approachable blend of 54% Semillon, 43% Sauvignon Blanc and 3% Verdelho from one of Australia's biodynamic rock stars. The tree fruit, pineapple, grass and dried herbal characters tiptoe across the tongue amid a texture that is both chalky and slippery, popping with prickly acidity and begging to be sipped, as the name suggests, while making merry in the summer sunshine.”

**88 pts** “A blend of 54% Semillon, 43% Sauvignon Blanc and 3% Verdelho, the 2018 Dancing in the Sun is entirely fermented and matured in stainless steel. It’s a plump, medium-bodied wine with aromas and flavors of pear and fig, with hints of apple skin and citrus zest on a lengthy finish.”
