BALGOWNIE ESTATE *Bendigo, Victoria*

Balgownie Estate is one of Australia's greatest small vineyard estates. Located near the historic gold mining town of Bendigo in central Victoria, the Estate was established in 1968 on a site of top alluvial soil. Now the most respected name in the region, the wines are benchmarks of a Victorian style reliant on well-ripened fruit, distinctive local terroir and sympathetic use of oak.

BROKENWOOD *Hunter Valley, New South Wales*

A benchmark Australian winery founded in 1970 by Sydney trio Tony Albert, John Beeston and Australia's leading wine critic, James Halliday, Brokenwood evolved from a weekend venture for these self-professed hobby winemakers into one of Australia's most reputable wine labels. 35 years later, Brokenwood is known for producing some of Australia's most long-lived Semillons, and one of the nation's most iconic single vineyard wines, the Graveyard Shiraz.

CHAMBERS ROSEWOOD *Rutherglen, Victoria*

Since establishment in 1858 in Victoria's famed Rutherglen region, winemaking duties at Chambers Rosewood have been handed down through five generations. These wines are a national treasure; wines expertly crafted from unctuous material that has matured in the family cellars for more than a century. Robert Parker summed it up best in 2001: "Anyone who has ever tasted Chambers fortified Tokay or Muscat realizes the world's reference point for these wines begins and ends with Chambers."

FRISK PRICKLY *Alpine Valleys, Victoria*

A team of young gun Australian winemakers and growers couldn't help but ponder the 'Riesling Revolution' as they worked their magic with some of the finest fruit in the downright cold-climate of Victoria's Alpine Valleys. Seeing friends slurp down their juice almost any time of the day (brunch-time drinkers were indebted to its low 8% alcohol), alone or with one of their damn hot Thai curries, piqued the thought that a few outside their little hamlet might be equally enamored by it.

GIANT STEPS *Yarra Valley, Victoria*

Giant Steps was established in 1998 in the cool-climate Yarra Valley region by wine industry veteran Phil Sexton. With the aim of creating single vineyard wines reflecting a unique sense of place, the 75 acre vineyard was hand-planted on the gravelly, north facing slopes of the Warramate Ranges. A decade later, the wines are renowned for offering length rather than breadth, finesse rather than largesse, and above all, fruit rather than artifact.

INNOCENT BYSTANDER *Victoria, Australia*

Phil Sexton relocated to the gravelly slopes of Victoria's Yarra Valley in the late 1990's. Beyond the pristine fruit of the Yarra Valley, he discovered numerous Central Victorian vineyards that inspired the Innocent Bystander range. These wines have a personality all of their own: distinctly regional, expressive and definitely not your run of the mill varietal blends.

JASPER HILL and CHAPOUTIER & LAUGHTON *Heathcote, Victoria*

Jasper Hill, established in 1975 by Ron and Elva Laughton, produces some of Australia's most individual and compelling Shirazes. Situated on ancient Cambrian soils in the Heathcote region of Central Victoria, the dry-farmed, biodynamic vineyards have been largely responsible for establishing the area as one of Australia's greatest red wine regions. A long-standing friendship and shared winemaking philosophy has since seen the Laughtons partner with Michel Chapoutier, jointly crafting Agly Brothers from France's Cotes du Roussillon, and the Cambrien Shiraz from the Laughton's Heathcote vineyards in Central Victoria.

JOHN DUVAL WINES *Barossa Valley, South Australia*

John Duval is one of Australia's most highly-regarded winemakers. As Penfold's Chief Winemaker and custodian of Australia's famous Grange, he was instrumental in establishing Penfolds as one of the world's great wineries. Inspired by the Barossa Valley's old vine vineyards, John established his own label in 2002 and now crafts intense, focused wines that are as distinctive as the region's diverse terroir.

KILIKANOON *Clare Valley, South Australia*

Founded in 1997 by Kevin Mitchell, Kilikanoon is a boutique winery with an international reputation for producing regionally expressive, terroir-driven wines. Mature vineyards of Shiraz, Cabernet, Grenache and Riesling planted by Kevin's father, Mort in the 1960's, form the heart of the estate vineyards. At just 10 years of age, Kilikanoon is rated by worldwide critics as one of Clare's leading wineries, producing long-lived Rieslings, and powerful Shiraz, Grenache and Cabernet Sauvignon.

PLANTAGENET WINES *Great Southern, Western Australia*

An historic producer, Plantagenet Wines was the first winery to be established in the rugged Great Southern wine region. Named after the local Shire of Plantagenet, the winery was founded in 1968 when English immigrant Tony Smith planted vines on his Mount Barker property. These early wines impressed with their elegance and finesse, and Plantagenet has gone on to become a driving force in establishing this area as a distinctive, quality-focused Australian wine region.

YERINGBERG *Yarra Valley, Victoria*

A jewel of a vineyard replanted in 1969 on the site of what was one of Australia's most famous vineyards of the nineteenth century. Older vintages of the cabernet have had critics such as Hugh Johnson draw comparisons to Chateau Lafite! The tradition continues with the grandson of the founder now producing perfectly poised wines from extremely low yielding vines.

USA ESTATES

STICKYBEAK *California, USA*

The Stickybeak winemaking team is led by native Australian – Wayne Donaldson. Together, we've scoured the hills of Napa, trekked the valleys of Santa Rita, paddled the Russian River and shivered in the Sonoma Coast fog to find vineyards that have that wonderful 'this is it' character - where the grape and land go hand in hand together. These wines sing stridently of their origins, and they also deliver a wallop in the flavor department – not meaning heavy and overdone, but simply long, lingering and wonderfully focused.

Today, he has succeeded in building one of the most well-established wine companies in Oregon. The Estate vineyards in Willamette Valley, along with a number of elite Oregon vineyards, produce single-vineyard wines and masterful cuvees under three labels - Dobbes Family Estate, Jovino and Wine By Joe.
