

2011 d'ARENBERG  
THE STUMP JUMP WHITE  
Review Summary

**88 pts** “While d'Arenberg can't spell roussanne correctly, it over-delivers with this fresh, crisp wine, honeysuckle citrus and apple all at play. An extra year in bottle might help.”

**87 pts** “Light yellow. Spicy green apple and lemon pith aromas are deepened by a honeyed nuance. Smooth and open-knit, offering orchard fruit and melon flavors. Finishes on a peach note, with good grip and decent persistence.”
