

2012 YERINGBERG PINOT NOIR

Review Summary

95 pts “Bright, clear crimson-purple; perfect poise and balance to a wine with complex red and black berry fruit, 100% destemmed; 7 days on skins; 22 months in barrel (40% new oak). Spicy, savory fruit flavors.”

James Halliday
Australian Wine Companion
2016

91 pts “Bright red. Assertive aromas of raspberry, cherry and candied rose, with Asian spice and woodsmoke accents adding complexity. Juicy and focused on the palate, offering lithe red fruit flavors and a hint of blood orange. Shows impressive energy and clarity on the energetic finish, with the raspberry and spice notes echoing.”

Josh Raynolds
Stephen Tanzer’s International Wine Cellar
July/August 2014

90 pts “Pale ruby colored with a hint of purple, the 2012 Pinot Noir offers a subtle nose of fresh cranberries and wild strawberries with hints of forest floor, violets and fallen leaves. Light to medium-bodied, it gives just enough elegant red berry and earthy flavors in the mouth with a light grip of acid and chew of tannins, finishing with lingering notes of stewed tea.”
