

2014 JANE EYRE VOLNAY

Review Summary

92 pts “Rose-like florals and a bright array of boysenberry and raspberry fruits, there’s a leafy edge too, with vanillin spice and a lighter herbal and aromatic edge, bright and fresh. The palate is neatly cut, juicy and full of energy with red cherry and plum fruit flavors. Of all Eyre’s wins, this is the one most made to go some distance; not at all heavy, but it needs time.”
