

2014 LEEUWIN ESTATE SIBLINGS SAUVIGNON BLANC SEMILLON

Review Summary

91 pts “Beautifully fresh and floral lime citrus and peachy fruits as well, this has a sweet scent of fresh herbs like Thai basil too. The palate is crisp and crunchy, neat and even; there’s a smooth core of supple flesh. Easygoing and very approachable.”

90 pts “This is the best example of this wine I can remember, as it manages to toe the fine line between being boldly aromatic and going over the top. Nettles and grapefruit, hints of white currants and passion fruit, it has something to offer any Sauvignon Blanc lover, finishing long and fresh.”

90 pts “Pale yellow. Highly perfumed, incisive nose displays energetic mineral- and spice-accented peach and tangerine scents and a suggestion of honey. Shows very good clarity and lift on the palate, offering fresh citrus and pit fruit flavors that deepen with air. In a seamless, pliant style, this blend finishes with excellent focus and length and lingering hints of tarragon and honeysuckle.”

89 pts “Modest hits of tropical fruit, nettle and grapefruit aromas/flavors. Suggests at sweetness without ever quite tipping over. Accessible.”
