

NV CHAMPAGNE COLLET BRUT ART DECO PREMIER CRU

Review Summary

92 pts “Smooth, fresh nose; crisp, ripe and juicy with refreshing acidity and lovely balance.”

92 pts

BlueLifestyle.com April 2017

91 pts - Very Good+ “The name says it all. From the first sniff to the last sip, the Collet Art Deco changes and evolves. This golden straw colored Champagne has notes of raisin, candied orange rinds, strawberries, apple-caramel, and toast with cinnamon right on the nose. Your first sip introduces you to the medium-sized bubbles that will be present throughout your experience. The palate consists of candied fruits like orange, raspberries, and starfruit. Additional notes of candied ginger and green tea leaves make up the middle, while a mouth-watering acidity rounds out the finish. I would recommend drinking it on its own as it doesn’t need a food pairing, but a nice side of bay oysters would be sublime.”

90 pts “A ripe, plush Champagne, with dried white cherry and apricot fruit layered with salted almond and pastry cream notes, which are enlivened by orange peel acidity. Chardonnay, Pinot Noir and Pinot Meunier. Drink now.”

90 pts/Editors' Choice "Aged four years before disgorgement, this ripe and generously soft wine has both mature toasty flavors and great acidity. Rich in apricot as well as white fruit flavors, it is well balanced, with layers of acidity smoothed by the yeasty aftertaste."

90 pts "The Art Deco label gives this wine its name. A blend of the three main Champagne grapes, it's a poised, dry wine. Its crisp apples and touch of toast after four years' aging gives balance and a sense of maturity."
