

2016 d'ARENBERG THE BROKEN FISHPLATE

Review Summary

93 pts “A rich heritage spanning more than century goes into producing the top quality wines under the d’Arenberg signature. The latest release sauvignon blanc reflects the easy drinking style of their whites.”

91 pts – Very Good+ “This Sauvignon Blanc from Australia is almost clear with a touch of yellow. Its bouquet of pineapple, grass, wet slate and honeysuckle is inviting. It is medium bodied and balanced with zingy acidity. Its flavor profile is tropical featuring lime, juicy pineapple and honey with notes of gooseberries and green herbs. The finish is dry and long with some citrus notes lingering. A second glass is a must with a pan-fried lemon sole.”

90 pts “A small portion was fermented in used French oak, but there is, in any event, plenty of energy and drive to the mix of predominantly citrus, and some lychee, fruits. The finish is long, the aftertaste lingering for some time.”

James Halliday, Australian Wine Companion
2018

86 pts “The 2016 The Broken Fishplate Sauvignon Blanc delivers a good intensity of grapefruit, lime leaves and fresh hay notes with touches of apple tart and pea pods in the background. Light to medium-bodied, the palate is refreshing and uncomplicated with plenty of lively herb and citrus notes on the finish.”
