

2015 LEEUWIN ESTATE SIBLINGS SAUVIGNON BLANC SEMILLON

Review Summary

94 pts “Bred in the purple, with snow pea to start, next a parade of tropical fruits, striking citrus to finish, the oak influence evident in texture not in flavor.”

**James Halliday, Australian Wine Companion
2017**

91 pts “A refreshing coastal white, Siblings offers juicy flavors of litchi and a bitter citrus pith note. It’s firm and clean, not at all aggressive, an elegant sauvignon to chill for cracked crab.”

**Joshua Greene, Wine & Spirits Magazine
October 2017**

91 pts – Editors’ Choice “This blend of two-thirds Sauvignon Blanc and one-third Semillon gets a touch of barrel aging, reflected in its silky texture more than any overt aromas or flavors. The palate is fruit-forward, offering hints of citrus, underripe nectarine, wet stone and green apple, finishing long and mouthwatering.”

**Joe Czerwinski, Wine Enthusiast
February 2017**

90 pts “Pale gold. Fresh citrus and orchard fruit scents and a hint of smokiness on the nose. Juicy pear, melon and Meyer lemon flavors show good depth and a snap of zesty acidity. Weighty yet vibrant in style, finishing long and supple, featuring lingering smokiness and very good focus.”

**Josh Reynolds, Vinous

90 pts/Smart Buy “White pepper and floral accents add aromatic intensity to the core of vibrant and refreshing lemon, peach and green apple flavors.”
