

2015 d'ARENBERG THE STUMP JUMP SHIRAZ

Review Summary

87 pts “This starts shy in comparison to the typical ripe, brashness of South Aussie Shiraz. With time in glass, however, it reveals attractive red fruit notes of tart cherry and raspberry, with vanilla and savory spice. The palate shows tart, almost mouthpuckering red fruit, with a medium body, light, chalky tannins and a slightly soapy finish.”
