

2016 YERINGBERG VIOGNIER

Review Summary

93 pts “Luscious ripe fruit, not too much, leads with stone fruit, apricots and kernels, glaze pineapple, all drizzled with ginger spiced cream. Soft, pleasing and holds its own.”

93 pts “An apple nose that also incorporates very attractive aromas of white peaches, pomelo, apricots and dried spices. Full-bodied with lots of layers of stone fruit and refreshing acidity to match, culminating in a round yet crunchy finish.”

91+ pts “The 2016 Viognier manages to tap into the ripe, exotic side of Viognier’s florals and apricot-like fruit without tipping over into an oily, alcoholic morass. It’s medium to full-bodied but stays calm and collected, with a soft, silky mouthfeel, authentic varietal flavors and a lingering finish. It’s a rare, successful balancing act with this finicky variety.”

91 pts “Aromatic, with peach blossom, honeysuckle and spice edges that add complexity to the smooth nectarine and apricot core. Shows plenty of intensity and focus, with the flavors picking up a note of marmalade on the finish.”
