

## 2017 KILIKANNOON KILLERMAN'S RUN RIESLING

### Review Summary

**94 pts** “Pale, bright straw-green; the flowery come-hither bouquet doesn’t deceive, the palate pure joy. Lime, lemon and Granny Smith apples cascade through the long palate, the keynote squeaky acidity held in place by an invisible film. It’s a mouthfeel quality most often encountered with young riesling, and sustains the very long finish.”

**91 pts** “A more appley rendition of a riesling with a bouquet characterized by light jasmine and cherry blossoms. The palate has a nice layering of stone and greener fruit, which is delivered in an approachable manner over some rather steely acidity.”
