

## 2018 GREYWACKE SAUVIGNON BLANC

### Review Summary

GREYWACKE

*Kevin Judd*

**95 pts/Wine of the Week NZ** “A richer and more textural wine than the regular sauvignon blanc label, with an artful influence of struck flint reductive character adding extra interest and complexity. It’s easy to see how this stylish wine can attract a cult following.”

**92 pts/Editors’ Choice** “This vintage delivers appealing aromas of stone fruit, honeysuckle and wet stone, with only the slightest vegetal tone. There’s a lovely play between the creamy texture and crunchy acidity on the palate, highlighting flavors of orchard fruit, salt and snow pea. It finishes long, with stony minerality.”

**91 pts – Very Good+** “This almost clear colored Sauvignon Blanc from Greywacke was our top scoring wine in our recent big blind tasting. It opens with a mild yellow grapefruit bouquet with hints of matchstick, green pepper and salty ocean breezes. On the palate, this wine is medium bodied and balanced between its fruit and acidity. The flavor profile is a tasty lime and grapefruit blend with nicely integrated minerality. We also detected hints of white pepper and green pepper. The finish is dry and lingers for a while. The Tasting Panel thought this wine would pair well with grilled swordfish.”

**91 pts** “The 2018 Sauvignon Blanc shows restrained aromas of fig and melon on the nose, followed by ripe notes of nectarine on the palate. It's medium to full-bodied and richly textured, with a long, silky finish. It may age a bit better than some other classic Marlborough Sauvignons.”
