### Review Summary

**95 pts** “A fragrant estate-grown wine of remarkable drive and intensity, with black cherry and spice, licorice and evenly distributed tannins from start to finish providing texture and, more importantly, structure for a classy wine that has maximized what the vintage offered.”

**95 pts** “Deeply spicy, glossy and ripe blackberries and plums with peppers, licorice and stone fruits in play. Yellow plums and almost peachy nuances, too. The palate is superbly fleshy with ripe and glossy dark cherries and blackberries. A silky, slick and sleek syrah.”
