VINEYARDS: With 26 centuries of winemaking experience Provence is the oldest winegrowing region in France, and the first to produce Rosés. The Grenache for Coeur Clémentine's La Pétillante Brut Rosé is sourced from three distinct hillside vineyards in Var.

WINEMAKING: Coeur Clémentine maintains a late night/early morning harvest when temperatures are coolest. Under the watchful eye of winemaker, Jean Christophe Audéoud the grapes are gently pressed when still cool with minimal skin contact. The primary fermentation is cool and long to preserve the delicate floral and fruit flavors. The still wine is then fermented slowly a second time to create the fine effervescence. The wine is left on secondary lees to build texture and palate weight before being bottled.

TASTING NOTES: The wine shows an impressive fine bead structure with long lasting effervescence. Aromas of summer berries and citrus are complemented by a sweet floral nuance. The palate is lively and refreshing with delicate fruit flavors and balanced acidity. Delicious on its own as an apéro, it is also an excellent partner for summer salads, white fish with Asian flavors as well as dessert cheeses.

ABOUT COUER CLÉMENTINE: Coeur Clémentine is the result of the decades-long friendship of its founders, Steve Veytia and Pierre Arosteguy, and their shared passion for the wines of Provence. Steve, a native of St. Helena, California and Pierre, the 5th generation owner of the oldest family run epicerie in France, Maison Arosteguy in Biarritz, launched their first vintage in 2008 and the wines have gone on to win numerous awards. Coeur Clémentine's grapes are grown in what many believe to be the best soil and sought after fruit in the region, called "The Golden Triangle." From soil and vine management, through to bottling, Coeur Clémentine's processes are all natural and focused on providing premium quality.
