

2018 FRISK PRICKLY
RIESLING
Review Summary

88 pts – Very Good “For those in search of something different from Australia, try this pale straw, off-dry Riesling. It has Bartlett pear, floral aromas and wet slate on the nose. On the palate, it is medium bodied and has medium acidity with some surprising effervescence. The bubbles balance the sweetness nicely. Flavors of apple, lime, honey and ripe pear with nicely integrated minerality. The finish is moderate in length. This Riesling would be a nice sipping option on a hot day or pair with Indian Chicken Vindaloo.”
