

2017 LEEUWIN ESTATE
SIBLINGS SHIRAZ
Review Summary

91 pts “A well crafted style, with abundant red and black fruits to the fore, but some spicy, savory characters (and probably a touch of oak) adding complexity. There’s a pleasing freshness to the medium-weight palate, with well-balanced acidity and lightly tangy astringency lengthening the finish. It feels unforced.”

91 pts “A bright and sexy shiraz that shows fresh citrus, blueberries, black pepper and cedar. Medium body, fine and supple tannins and a fruity finish.”

90 pts “This medium-bodied Margaret River Shiraz, from one of the region’s most well-known names, is a solid drop, if not quite as characterful this vintage as in previous years. It offers notes of black currant, blueberry and red berry laced with anise, white pepper and a hefty helping of vanillin oak spice. The mouthfeel is granular in texture, with clean tangy berry fruit and drying tannins.”

88 pts/Best Buy “Here’s a steal: A juicy, raspberry-scented shiraz that’s bright and savory, tense and refreshing. Pour it cellar temperature with veggie burgers.”
