

2017 KILIKANOON MORT'S BLOCK RIESLING

Review Summary

96 pts/James Halliday's Top 100 Wines of 2018 “The bouquet wastes no time in establishing the region, variety and quality of this single vineyard, multi-block riesling. The floral bouquet leads into a palate of striking intensity, texture and structure, lime and lemon both claiming ascendancy, neither winning.”

90 pts “Available as an aged release from the cellar door, Kilikanoon’s 2017 Morts Block Riesling already shows some developed honey and toast characters, balanced by notes of wet stone and a hint of spritz. Medium-bodied, tart and long, it’s drinking well now and should continue to do so through 2025.”
