

2016 GREYWACKE CHARDONNAY

Review Summary

GREYWACKE

Kevin Judd

94 pts “Elegant, lively chardonnay with ginger, toasted nut, white peach, citrus-lime and some struck flint savoury character. A clever interplay of fruit and winemaking artefact.”

93 pts “This is fast becoming a benchmark Marlborough Chardonnay to counterpoint the Greywacke Sauvignon Blanc. Grapes come from two clones planted on two distinctive soil types: gravel/clay loam and alluvial. The juice is fermented and aged for 18 months on the lees in oak barrels (20% new). A commanding nose of confected orchard fruit, then lovely palate weight where the delicate oak integration adds a classy richness. Brisk lime acidity leads to a mineral, almost saline finish.”

92 pts “Struck flint and hints of sweet corn and toasted grain accent white peaches and ripe pineapple on the nose of the 2016 Chardonnay. It’s medium to full-bodied but comes across as fresh and lively, with a crisp, mouthwatering finish.”
