

2016 d'ARENBERG THE LOVE GRASS

Review Summary

88 pts “D'Arenberg's 2016 The Love Grass Shiraz always includes 15% other varieties, which in the past have included such diverse grapes as Petit Verdot and Viognier. It's dark in color, with some violet aromas that suggest PV this year. The fruit is plummy and dark in this medium to full-bodied wine, and the tannins are rather supple and elegant for a wine from this stable, finishing soft and silky.”
