

2018 d'ARENBERG THE HERMIT CRAB

Review Summary

93 pts “Density and freshness to the layered and delicious white that shows cream, lemon-curd, cooked-pear and sliced-apple character. Medium to full body. Flavorful finish.”

91 pts/Best Buy/Year’s Best McLaren Vale “Scents of pale yellow cherries and white cranberries fill this generous blend of marsanne and viognier. It has the oiliness of lemon rind, as well as a lanolin fatness that’s moderated by the spicy grape-skin tannins. Chill it for meaty roast fish.”

90 pts/Value Pick of the Week “Effusive, juicy and ripe, with peach, apricot and melon flavors that are generous and plump. Floral and spice notes emerge on the finish. Shows terrific harmony and persistence.”

88 pts “d'Arenberg's 2018 The Hermit Crab Viognier Marsanne shows some delicate floral notes on the nose, followed by scents of melon and spice. A small proportion of the blend is fermented and aged in used French oak, adding a touch of creaminess to the medium-bodied palate, while the finish turns silky, the melon flavors slowly fading away. I nearly always prefer to drink these sorts of aromatic blends in their youth, and this one is no exception.”
