

2019 MAISON L'ENVOYÉ 'LE SAINT PÂLE' ROSÉ

Review Summary

91 pts “Light, bright orange. Expressive, mineral-accented strawberry, blood orange and blue flower scents show sharp definition and spicy lift. Fleshy and dry, offering concentrated red berry and citrus fruit flavors and a sweetening touch of white peach. Finishes long and silky, with lingering floral and orange pith notes. The 2018 rendition of this wine is drinking wonderfully, by the way, showing sappy red fruit character and a thread of light, dusty minerality.”
