

## NV CHAMPAGNE COLLET BLANC DE BLANCS PREMIER CRU

### Review Summary

#### GOLD MEDAL

**TEXSOM International Wine Awards  
2020**

**93 pts** “Chardonnay from three of the Côte des Blancs villages gives a strongly mineral character that has benefited from five years aging to produce a tight, taut wine that is just reaching maturity.”

**Roger Voss  
Wine Enthusiast  
December 31, 2019**

**92 pts** “Bright fruit and silky textured, showing delicious balance between the toasty profile at the front and the chalky cadenza at the end of the palate.”

**Simon Field, MW  
Decanter  
September 10, 2019**

**91 pts – Very Good+** “This 100% Chardonnay from Premier and Grand Cru Vineyards is a great example of the style that once was. Modern Champagnes focus on the toasted (brioche) and yeasty notes. Collet, focuses on elegance from the bubbles to the finish. The bubbles in this pale Champagne are fine and consistent. Never seemed to stop coming from the bottom of the flute. The nose was light hinting at granny smith apples, nectarines, ginger, and almonds. The palate was creamy which is expected with 100% Chardonnay offerings like this, with touches of smoke and toasted macadamia nuts. The finish was impeccable with the perfect touch of stone-fruit esters and acidity. The Collet Blanc de Blancs has the potential to age and would inherently evolve to something more akin to the modern style if given at least 5 years in the cellar. I would pair well with bacon-wrapped scallops.”

**90 pts** “Crushed white cherry and slivered almond notes are framed by clean-cut acidity in this balanced, creamy Champagne, with accents of orchard blossom and ground ginger on the finish.”

**GOLD MEDAL**

**New York International Wine Competition**  
**2016**

**90 pts** “A blend from six vineyards in the Côtes des Blancs, this tight, steely, chalky-textured wine still tastes young despite five years aging. It is full of citrus, lime juice and pink-grapefruit flavors that are integrated with the crisp, complex texture.”
