

2017 KILIKANOON KILLERMAN'S RUN CABERNET

Review Summary

93 pts “Regarded as an outstanding Riesling vintage in the Valley, '17 was also kind to cabernet sauvignon producing ripe flavours and varietal flair. One of those all-rounder, favourite kind of wines that get consumed early rather than later, it holds no pretense and is all pleasure.”

91 pts “There’s a very approachable feel here with sappy and succulent redcurrant and cassis aromas and flavors, framed in a very plush, attractively fresh palate.”
