

2017 YERINGBERG PINOT NOIR

Review Summary

95 pts “This has attractively fresh red cherries and beautifully pure and fragrant perfume. The palate is fleshy, supple and so deliciously fresh. A superb pinot from Yeringberg, one of their finest recent vintages.”

93 pts “Always a solid wine, this is no exception. Asian plum, root spice and orange rind meander across a plump core, gently defined by a sluice of grape tannin and well-appointed oak cladding (40% new, 18 months).”
