

**2018 d'ARENBERG  
THE STUMP JUMP  
SAUVIGNON BLANC**

**Review Summary**

**90 pts** “Offers an intense, snappy mix of lemon meringue and lemon candy notes, tangy and fresh, with an appealing hint of lemongrass on the bright finish.”

**89 pts/VERY GOOD** “This Sauvignon Blanc from Australia is straw colored and opens with aromas of pineapple, white florals, talc and a hint of lime. On the palate, this wine is medium minus bodied with medium plus acidity. It is crisp, mouthwatering and balanced. In addition to plenty of minerality there are flavors of green apple, spicy ginger, pear and some light white grapefruit. The slightly spicy finish is nicely extended. This Sauvignon Blanc would go well with rare seared tuna.”
